BANDIT BELIEVER

THE PERFORMANCE OF THE BANDIT ANTENNA IS TERRIFIC SAYS A HAWAII DEALER. THE "BANDIT" OUT PERFORMES ANY ANTENNA THAT I HAVE USED. THE NAME BRAND I WON'T MENTION SHOWED ONLY 3DB RATING ON MY BASE STATION, WHEN I SWITCHED TO THE "BANDIT" ANTENNA THERE WAS A BIG DIFFERENCE AND IT GAINED A 6DB RATING. IT HAD DOUBLED! FOR EVERY "BANDIT" ANTENNA WE HAVE INSTALLED THE AUDIO AND SIGNAL STRENGTH HAD A TREMENDOUS INCREASE. HATS OFF TO LAMTECH FOR A VERY GOOD ANTENNA AND KEEP IT UP. ALSO BECAUSE OF THE TUNING RINGS IT WAS ALWAYS POSSIBLE TO GET IT TUNED TO A 1 FLAT. OUR CUSTOMERS ARE HAPPY.
